## **MT2500 Scanner™ Owners: Take Diagnostics to a Higher Level** ***Snap-on Announces Special Offer***

**LINCOLNSHIRE, IL, July 31, 2008** – Snap-on is making it easy for MT2500 Scanner™ and MTG2500 Scanner™ owners to take their diagnostic capabilities to a higher level by converting to either MODIS™ or SOLUS PRO™. Until Sept. 30, 2008, technicians can get a \$500 Snap-on tool certificate and 90 days same-as-cash financing when they make the switch.

With MODIS™ and SOLUS PRO™, technicians will benefit from more extensive codes, tests and Troubleshooter coverage, as well as blazing fast performance, longer battery life, onboard storage, PC interface, printing capabilities, and large and bright color displays.

To take advantage of this special offer:

- 1) Visit <http://diagnostics.snapon.com/nextlevel> to register and receive a confirmation certificate via e-mail.
- 2) Purchase a new SOLUS PRO or MODIS by Sept. 15, 2008.
- 3) Mail a copy of the e-mail confirmation certificate and the EC contract by Sept. 30, 2008 to Snap-on Credit, 950 Technology Way, Ste. 301, Libertyville, Ill., 60048.
- 4) Receive \$500 Snap-on tool certificate in four-six weeks.

Other terms and conditions apply, and are available at <http://diagnostics.snapon.com/nextlevel>

“With this great incentive, Snap-on Diagnostics is making it easy for MT2500 Scanner users to take the next step forward with their diagnostic platform, plus they’ll receive a big bonus – a certificate for free tools,” said Mark Schaefer, director of marketing for Snap-on Diagnostics. “This is a limited time offer so our customers should take advantage of this special opportunity as soon as possible.”

### **About Snap-on Diagnostics**

Snap-on Diagnostics is part of Snap-on Incorporated, leading global innovator, manufacturer and marketer of tool, diagnostic and equipment solutions for professional tool users. Products are sold through its franchised dealer van, company-direct sales and distributor channels, as well as over the Internet. Founded in 1920, Snap-on is headquartered in Kenosha, Wisconsin. For more information, visit <http://diagnostics.snapon.com>.
